

Midget City –Director, Blaine Shackleton

- Started season with roughly 40 players on 3 teams. Attendance was up and won all season so for home tournament (and remainder of season thereafter) played with 2 teams with more on each bench. Recognize it is not the best scenario, but it got the kids out for a skate.
- Hosted a tournament and all players enjoyed it and would like to see it continue.
- Goal for next season would be to ice 4 teams.
