

# DIRECTOR'S YEAR END REPORT

**Game & Conduct**

April 16, 2019

## **Director(s)**

Kenzie Liefso

## **Summary**

Game and Conduct dealt with 31 suspensions for various reasons. The vast majority of suspensions were for on-ice incidents. A summary of all suspensions is attached. MHMHA started tracking suspensions online similar to the CAHL league, we found this to be useful for officials and managers who could reference the website to confirm write-ups were properly addressed and for a list of current suspensions.

There were eight complaints from members regarding off ice conduct, all complaints were investigated. Of the complaints three resulted in suspension, three in verbal warnings, and two resulted in no discipline.

Records have been kept by Game and Conduct of all incidents to ensure repeat offenders are dealt with accordingly.

## **Issues / Notable Items**

1. The most frustrating and time consuming element of the Game and Conduct position is investigating parent and coach behaviour issues.
2. There is a disconnect between the MHMHA Trust Program and Hockey AB minimum suspensions. It is recommended to go to Hockey AB minimum suspensions to avoid possible appeals.
3. MHMHA gave warnings to problematic City League players at the start of the season. This served to put players on notice and gave MHMHA the leverage it needed to remove a player who was a safety concern. This is a valuable tool and should be used in subsequent years as it sets the expectations and consequences of continuing down a path of unsafe play.
