

Dear Members of the Medicine Hat Minor Hockey Association,

I am absolutely thrilled to introduce myself as your new General Manager, and I couldn't be more excited to join this incredible community of passionate hockey enthusiasts.

Let me begin by sharing a bit about my journey in the world of hockey. My passion for this great sport has been a guiding force throughout my life. I laced up my skates for the first time at an early age, and from that moment, I was hooked. From playing in the local rinks to competing at the highest level with Minnesota State, I have experienced the joy, camaraderie, and life lessons that hockey has to offer. I've been a player, a coach, and an advocate for the game, and I understand firsthand the values and skills that hockey can instill in our athletes.

Professionally, I have had the privilege of working in leadership roles in the United States for the past nine years, which have equipped me with valuable skills and insights that I'm eager to bring to our association.

As your GM, my primary goal is to support our young athletes in their hockey journey and help create an environment where they can develop not only as players but individuals.

I can't wait to get to know each and every one of you. Please feel free to reach out to me at gm@mhmha.ca with your thoughts, ideas, and any questions you may have. Your input and involvement are crucial to our success.

Warmest regards,

Hannah Davidson
General Manager

Medicine Hat Minor Hockey Association
