New Players:

On April 1, 2026, Hockey Canada introduced The Shift Forward: Evolving Hockey Culture, a new learning and development program that is the home for national education and training courses.

As part of the response from the national Training Needs Analysis that was conducted by Hockey Canada, there was overwhelming feedback that national education and training courses should be age-appropriate, modernized, engaging, specific to how participants engage with hockey, and progressive as they go through their hockey journey, with content that seeks to evolve the culture of hockey on and off the ice.

To support a smooth transition:

- Existing RIS certifications will continue to be recognized until **their current expiry dates**.
- **New participants** (parents, coaches, and volunteers) will be required to complete the Shift Forward program.

All new players will need to provide the office with a copy of their birth certificate. This can be emailed to info@mhmha.ca. Registration will not be complete until our office receives copies.

All new players will receive the early bird pricing up to August 15, 2026. After this date, you will be placed on a waiting list and is subject to availability. A \$75.00 late fee will be charged.

Registration Information:

1) ZONE PLAYERS:

Registration and the tryout fee are required by MHMHA by June 30, 2026. If after June 30th, tryout fees will be \$100 more.

Once a zone player makes the team the **remainder of registration fees will be required.**

2) FINANCIAL ASSISTANCE:

JUMPSTART - Applications must be completed online only at: [Home | Jumpstart \(canadianfire.ca\)](https://www.canadianfire.ca)

There are no manual submissions for this program you must apply online.

To receive early bird rate, proof of application must be submitted to the MHMHA office by June 30, 2026.

You must also start the online registration process through TeamSnap. Once the applicant receives confirmation of the amount they will receive, the office will require a copy of the acceptance letter and once the office received money from Jumpstart then your account will be credited.

3) AAA/AA/CAHL/RMFHL Teams

Will be treated as a travel team on a user pay basis. User pay can be explained as the Registration fees are credited to the teams. League, administration, carding, ice fees, etc. are debited down and once the registration credits are "used up" teams will be responsible for all remaining associated costs. Some of these costs are ice, referee costs, etc. This may mean additional fundraising efforts, or the collection of monthly fees as determined by the teams.

4) PAYMENT OPTIONS:

Registration is done through TeamSnap only. At the time of Registration, you can choose to pay your registration fees in full OR you can choose to pay your fees in installments (this is the option TeamSnap is defaulted to), and it will only charge your credit card a \$50 deposit, then split the remaining balance of your fees between September 1st and October 15th. These fees will automatically come of your credit card used to register.

5) FIRST TIME FEMALES:

First time females who have never played hockey, the registration fee will be \$450 (this is for females who are playing on a female only city league team). **Please ensure you contact the office to make the adjustment on your TeamSnap account.**

6) U9 and U11 CITY LEAGUES:

U9 and U11 are decided on skill set. Once evaluations are completed, your child could be moved at the discretion of the Director between A and B.

7) COACHES:

As per the Medicine Hat Minor Hockey Association Board of Directors, Police Vulnerable Sector Checks are required for any new coaches and any coaches who have not completed either check in the past 3 Seasons. If you are Police or RCMP, you are exempt.
