

WAIVERS

Hockey Canada has introduced Mandatory Waivers that need to be completed at the beginning of each hockey season.

For those that did not sign waivers at Registration time, families can access the ability to sign these waivers through their Spordle Account for their players or coaches.

Waivers are to be signed before a player or team official participates – if you are receiving this letter, it is **imperative that this is completed asap**. Not completing these waivers can affect your ability and/or your teams ability to participate in Hockey Canada & Hockey Alberta Sanctioned events.

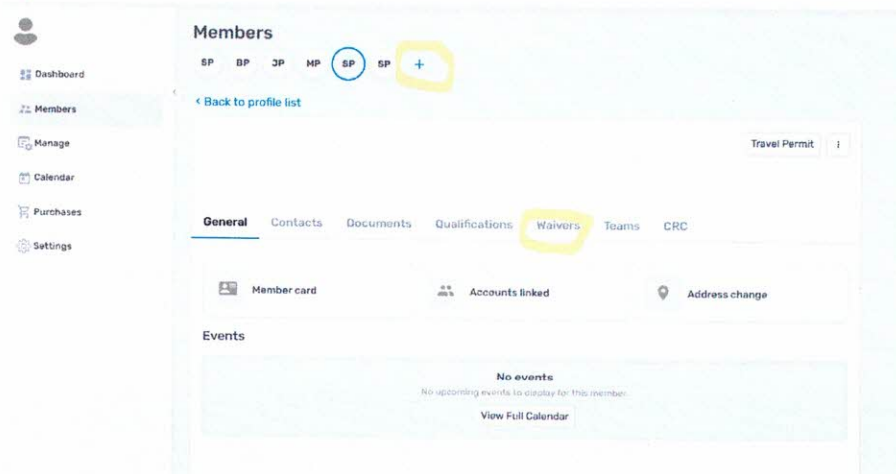

Step 1: Login to your Spordle Account: <https://myaccount.spordle.com/login>

- If you have a Spordle Account, you will need to login
- If you do not recall having a Spordle Account, one will need to be created

Step 2: Click “Members” and choose the member that needs their Waivers signed

- Circles near the top with the Participants Initials – choose the circle of the participant, followed by “View Profile” near the middle of the page
- If this is your first time creating a Spordle account
 - You will need to link the members of your household that need their Waivers signed.
 - Choose the blue “+” to Link a Member

Step 3: Viewing & Signing the Waivers

- You are now viewing the participant's profile
- Choose the Waivers Tab
 - Individuals can choose the "Sign all mandatory waivers" blue button
 - Or they can click each un-signed waiver and sign individually by clicking the blue pencil near the "Not signed"
